

Area 33 Accessibilities Committee

D.A.C.

(Deaf Access Committee)

HOW GROUPS, DISTRICTS, and MEMBERS can HELP

We are a group of A.A members within Area 33 who work together to coordinate A.S.L. Interpreters for Deaf and Hard-of-Hearing members of A.A. Our purpose is to assist the Deaf member to gain access to the A.A. message of Recovery, Unity, and Service.

It is difficult for an individual deaf person or one group to support the financial responsibility of interpreted meetings.

Contributions of any amount are appreciated from individuals, groups, and districts. We rely on the 7th tradition of contributions, of any amount, to support this cause.

How you can contribute: Make checks or money orders payable to D.A.C.
