Professional Luncheon

The CPC* Committee serves in an informational capacity to inform professionals about what AA is and what AA is not. Through professionals, alcoholics may be reached who might otherwise never find the program, or they may be reached sooner with the help of informed non-AAs. We will be hosting a Professional Luncheon in November and are seeking donations to help cover the cost of lunch and mailing expenses. If you or your group would like to donate for this 12th Step work, volunteer to help with the mailing or have any questions, please feel free to contact us.
