

“SPONSOR YOUR DOCTOR”

DOES YOUR DOCTOR KNOW?

When you go to your doctor, do you inform him/her that you are in recovery?
 Do you then assume that your doctor knows what AA is, and what AA is Not?
 Is your doctor aware that AA is a tool available for persons in their care?

Our Twelfth Step and our Fifth Tradition both speak to us of carrying the message to the still suffering alcoholic. How better to make ourselves available than to insure that those who come into contact with suffering alcoholics are aware of us.

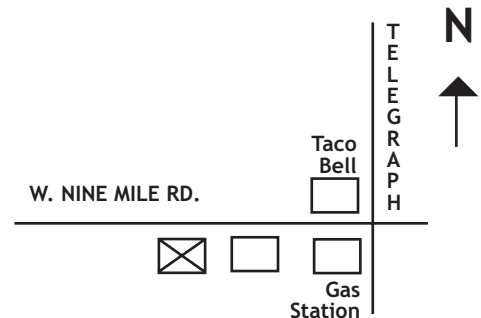

The Cooperation with the Professional Community Area Committee is here to serve in an informational capacity. There is no promotion involved, as protected by our Eleventh Tradition. This committee serves to inform and explain our Traditions to those outside of AA.

Rather than just do a random mailing we thought perhaps those of us in recovery could also benefit. Where better to start than with our own doctors?

If you would like to have some information to take to your own doctor, we have an information kit available free for the asking. Simply contact your CPC Chairperson or District Committee Member listed below. You will receive a kit which includes a letter of introduction plus five pamphlets: Information on AA, How AA Members Cooperate with Professional, The AA Member - Medications and Other Drugs, Problems Other Than Alcohol (excerpts) and Is AA for You? Please feel free to read through the information before giving it to your doctor.

We welcome any opportunity to be of assistance and encourage anyone interested in whether or not “Your Doctor Knows” to pick up a kit.
